

A MODEL STOP AGENDA 21 BILL FOR STATE LEGISLATURES

AN ACT relative to the United Nations Agenda 21 and the non-governmental organization International Council of Local Environmental Initiatives, also known as ICLEI — Local Governments for Sustainability.

WHEREAS, for the purposes of this act, a “political subdivision” means all state, county, incorporated city, unincorporated city, public local entity, public-private partnership, or any other public entity thereof; and

WHEREAS, the United Nations Agenda 21 is a comprehensive plan of extreme environmentalism, social engineering, and global political control that was initiated at the United Nations Conference on Environment and Development (UNCED) held in Rio de Janeiro, Brazil in 1992; and

WHEREAS, neither the U.S. government nor any state or local government is legally bound by the United Nations Agenda 21 treaty in that it has never been ratified by the U.S. Senate; and

WHEREAS, the United Nations Agenda 21 is being covertly pushed into local communities throughout the United States of America through the International Council of Local Environmental Initiatives (ICLEI), now calling itself “Local Governments for Sustainability,” through local "sustainable development" policies, such as Smart Growth, Wildlands Project, Resilient Cities, Regional Visioning Projects, and other "Green" or "Alternative" projects; and

WHEREAS, this plan of radical so-called "sustainable development" views the American way of life of private property ownership, single-family homes, private car ownership and individual travel choices, and privately owned farms all as destructive to the environment; and

WHEREAS, according to the United Nations Agenda 21 policy, social justice is described as the right and opportunity of all people to benefit equally from the resources afforded by society and the environment which would be accomplished by a socialist/communist-style redistribution of wealth; and

WHEREAS, according to the United Nations Agenda 21 policy, national sovereignty is deemed a social injustice; and

NOW, THEREFORE, BE IT RESOLVED that the state of _____ and all political subdivisions are prohibited from implementing programs of, expending any sum of money for, being a member of, receiving funding from, contracting services from, or giving financial or other forms of aid to ICLEI — Local Governments for Sustainability, or any other organization promoting the implementation of the United Nations Agenda 21, sustainable development, or smart growth.

BE IT FURTHER RESOLVED that the members of this body recognize the destructive and insidious nature of the United Nations Agenda 21, endorse rejection of its radical policies and of any grant monies attached to it, and recommend exposing to the public and public policymakers across the country the dangerous intent of the plan.
